Riding High in Pre-Election Polls, Republicans Convene in Florida to Renominate President

No Quad-Cityans are delegates to the flag-bedecked Republican national convention opening today in Miami Beach, Fla., but all may be affected by the outcome.

The Gallup poll during the weekend showed the incumbent Republican president, Richard M. Nixon, has a 2-1 lead (56% to 28%) in key states over Senator George McGovern, Democratic nominee, with more than 30% of Democratic voters currently planning to vote to re-elect the President.

Somewhat like the 1964 GOP loser, Barry Goldwater, who bogged down because of voters' fear that he might be reckless with nuclear weapons, there is growing speculation that Sen. McGovern faces a landslide loss due to concern over his "redistribute the wealth" ideas.

A possibly equally damaging issue is alleged intervention by two McGovern representatives in contacts with a foreign power, North Vietnam, and the Democratic nominee's weekend forecast that his election as

President would result in South Vietnamese leaders fleeing and a Communist-dominated coalition taking control.

The proposed GOP platform claims progress under the Nixon administration and is worded to attract Democrats and Independents.

It praises organized labor, warns of a "radical clique" trying to turn the Democratic party, and rejects marijuanna legislation, cross-town school busing, desegregation and heavy defense cutbacks.

Harmony reigns almost supreme at the GOP convention, except for delegate representation rules and anti-GOP demonstrators. A number of men and women delegates and spouses were bumped, spat on and cursed last night. Another group of demonstrators blocked auto traffic.

Senator Charles H. Percy of Illinois said Saturday he will do everything in his power to "guarantee that Illinois and other larger states get a fair shake" at the convention.

"We are not getting our fair share of delegates now," Percy said. "I intend to try to do something about it."

"I represent this state as a senator, and I represent it as a Republican delegate to the convention. I can see no reason why a convention delegate from Alaska represents only about 3,000 Republican voters, but a convention delegate from Illinois represents over 37,000 Republicans," Percy called such disparity "outrageous."

Governor Richard B. Ogilvie yesterday named an Illinois delegation committee headed by Sen. Percy to seek a compromise on the selection method for 1976 GOP convention delegates.

Percy and Vice-President Spiro Agnew are seen as potential 1976 Presidential rivals but there is no opposition to this week's renomination of the Nixon-Agnew ticket. The two acceptance talks will conclude the convention Wednesday night.

This Congressional district is represented at Miami Beach by two Belleville men, Dr. Wilson West and James McRoberts Jr. An attorney, McRoberts at 35 is among the younger delegates. They and the other 56 Illinois delegates are expected to vote for the incumbent ticket.

Delegate W. Clement Stone hosted the delegation at a pool-side party Saturday night and Gov. Ogilvie gave a reception last night. Sen. Percy's reception will precede today's evening session.

Public Challenges Size Of Trash Cost Increase

"It's a dirty shame how we taxpayers of Granite City are being treated about the trash pickup."

Although not necessarily typical, this reaction indicates the intensity of feeling generated by the trash collection cost issue raised by city officials.

With burning banned by the state, the volume of trash has increased, necessitating expansion of the present collection arrangements.

The comment quoted is from a letter received during the weekend from a man who asked that his name be withheld.

He added, "First, they say no burning. Now, they leave the biggest part of the trash instead of taking it. They even have the newspaper ask about paying an extra \$2 for trash pickup."

Corporation truck today with a rented trailer and collect all trash left behind.

Schuler said he hired the youths at his own expense "to dramatize the need for immediate action on this problem." He said he feels a contract should be awarded tonight by the City Council.

"I don't believe the city can do the job. They just don't have the equipment to collect all the excess trash," he said.

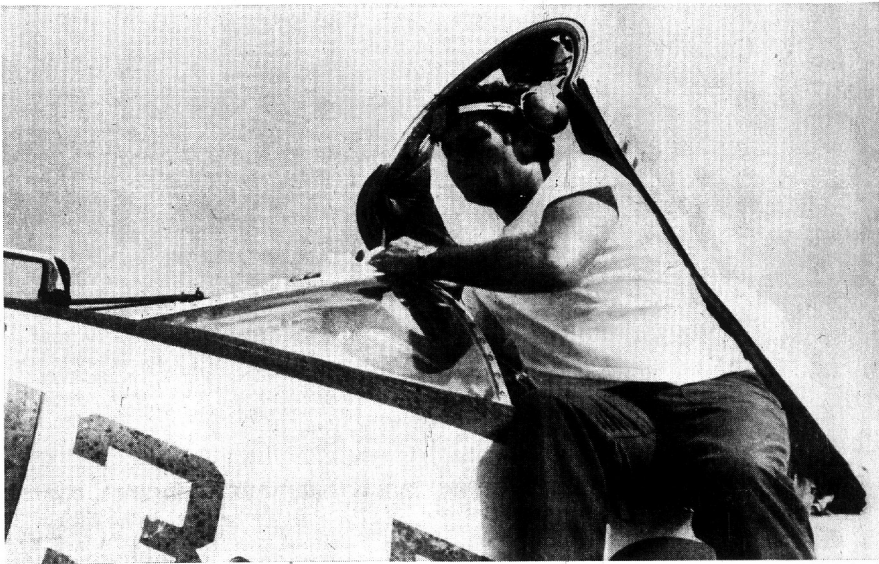

A weekend letter writer,

James C. Stuart, 3001 East 23rd St., has this to say "to the people of Granite City":

"I, a citizen, would like to comment about the burning of trash and the hauling of burnable trash. I believe the ban on burning is a major step in ending pollution in the Quad-City area, but it does present other problems, among these the lack of realistic investigation of the hauling of this trash."

"I am convinced that there is no way possible for our present trash."

Double Shift Schedule For Madison Jr. High

Overcrowding at Madison Junior High School this year will necessitate split shifts with eighth grade students attending a morning session and seventh grade pupils attending in the afternoon, Fred Riddle, Madison school superintendent, told the board of education at a meeting Thursday night.

The announcement drew objections from several parents who claimed the children could not receive the education to which they were entitled in four hours of classes.

The board approved a schedule with eighth grade students attending from 7:30 a.m. to 11:30 a.m. and seventh grade students in class from noon to 4 p.m. Board President Harold Riddle noted that he was in opposition to split shift, "But now it is a fact of life," he said.

Caused By Transfer Riddle explained that the

seventh and eighth grade classes held at Dunbar School last year have been transferred to the junior high school, further complicating the overcrowding problem experienced there last year.

Enrollment Jumps He said last year 350 students attended the school while the anticipated enrollment this year is more than 400.

"It is going to be more crowded than last year and the condition last year led to many disciplinary problems."

"By splitting classes, we can reduce the class size and feel we can give the students a better education," Riddle told the parents.

"We can not have another year like we had last year at Madison Junior High School," Riddle commented.

School District Talks With Union Continue

Negotiations are continuing between the Granite City School District and Building Services Local 88 comprised of school custodians, cafeteria workers and secretaries.

Most issues, including wages, have been settled, according to spokesmen from the school district and union, and an agreement may be reached before the opening of school at the last week of this month.

Nixon Illinois Margin To Affect Other Offices

By KEN WATSON
Copy News Service
Springfield—Nixon by a million? Maybe.

Statehouse Republicans are beginning to cautiously glow with an optimism unmatched since the second Eisenhower campaign.

Democrats are publicly scoffing at talk of a GOP landslide, but privately they are worried.

What bothers Capitol Democrats is not that President Nixon appears well on his way to carrying Illinois by a comfortable margin, but what could happen to the state ticket if he starts to "snowball."

A massive Nixon tide—cresting with a plurality of 800,000 votes or more—would ordinarily mean a Republican sweep of all state offices.

Capitol Democrats have about conceded Illinois to Nixon, but they are confident of wresting the governorship and secretary of state from the Republicans and, perhaps, electing the first state comptroller.

Statehouse strategists, including Republicans as well as Democrats, reason that Nixon would have to carry the state by more than 500,000 votes over George McGovern if Gov. Richard B. Ogilvie is to have a fighting chance to win re-election.

A Nixon plurality below 500,000 would also probably assure victory for Democratic Auditor Michael J. Howlett over Republican Edmund J. Kucharuk for secretary of state.

A Nixon margin of 700,000 to 800,000 would probably doom Howlett, but Democrats feel Walker might still make it. Over 800,000 for Nixon would make the governor's race a toss-up, and a million vote margin would undoubtedly mean a GOP sweep.

It is one million margin possible?

It could be on the basis of a number of polls to date which show Nixon receiving about 60% of the vote.

Four years ago, 4,705,832 votes were cast in Illinois. With the voting age down to 18, the total is certain to go substantially over the five million this November.

A 60 to 40 split would give Nixon three million to two million for McGovern.

To reach this margin he would have to top the 800,887 record plurality achieved by President Lyndon B. Johnson over Republican Barry M. Goldwater in 1964 and President Dwight D. Eisenhower's 847,645 margin over Democrat Adlai E. Stevenson II in 1956.

Johnson's tide was sufficient to bring a second term to Democratic Gov. Otto Kerner, who outlasted aggressive Republican Charles H. Percy by 179,299 votes.

Eisenhower's massive margin was credited with carrying Republican Gov. William G. Stratton over the line against Democrat Richard B. Austin by a slim 36,877 votes.

Although there is increasing Statehouse speculation about a Nixon landslide, most Springfield realists expect the presidential race to tighten considerably.

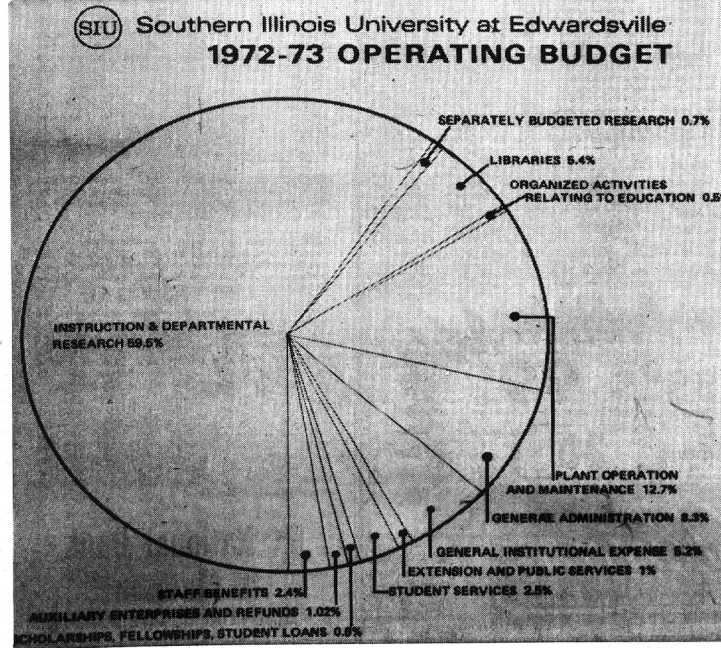

Current election day projections give the President a plurality of somewhere between 300,000 and 500,000.

But this is a year in which anything can happen.

Pollution Cause To Be Rescheduled

A public hearing on alleged violations of landfill regulations set for 10 a.m. today at City Hall in Granite City was cancelled. A new date has not been set.

The Illinois Air Pollution Control Board scheduled the hearing in the Environmental Protection Agency's case against Ivy Hearns, one of the owners of a landfill on Route 203 south of Madison.

\$27 Million Operating Budget for University

The Southern Illinois University Board of Trustees on Friday approved a \$27,251,027 operating budget for SIU at Edwardsville based on state appropriations for the fiscal year which began July 1. The meeting took place at Carbondale.

Of the total budget, 66.8% will be used to cover costs of instruction and research — and programs, such as the operation of the library, related specifically to these two primary university functions.

The budget is based on estimated income of \$27,038,227 in educational and general funds and \$212,800 in student aid funds. The educational and general income fund estimate includes \$3,444,492 in tuition and fees expected to be collected from students during registration periods, remitted to the state treasury and then returned to the university as part of the state appropriation process.

A breakdown of the budget shows \$15,483,638 (67.9%) going for salaries.

Other budget categories include 5.1% for wages, 0.8% for travel, 4.7% for equipment, 3.7% for commodities, 11.4% for contractual services, 0.6% for mileage charges on automotive equipment, 1.4% for telecommunications and 4.4% for contributions to the retirement systems and student aid.

The budget includes \$16,187,713 for instruction and departmental research in 20 different areas, \$141,179 for organized activities relating to education, such as the Supplemental Instruction Program, and \$1,489,933 for Lovejoy Library and audio-visual services which aid the instructional program.

Appropriations for research to be financed by the university at Edwardsville total \$201,762.

This does not include any research projects funded by grants from agencies outside the university. In fiscal year 1971-72, outside research and training grants totaled \$3,067,676.

Extension and public services were budgeted for \$282,770, with emphasis on activities of the Center for Urban and Environmental Research and Services, which will receive \$226,942.

Student services were allocated \$673,426. Included are funds for the university's health services, placement services, student housing, the student work and financial assistance office and career and educational development.

Granite City and Edwardsville

The Wedding Party with attendants for the Bride and Groom started business of taking a Bride by force, but the Groom was probably the first to require a number of witnesses to a wedding ceremony.

German traditions in wear the Bridal Veil—ward off the "evil eye" of the spirits, which might be lurking about, and Bridal White was a must to denote the Bride's purity. But the angry Romans dressed both the Bride and the Groom in off-white and the ceremony was performed in such a manner as to prevent any evil spirits or jealous gods from being able to identify the newly weds. Then to further deter any spirits which might have broken through a wheelcake was crumbled over the Bride's head to ensure a prosperous life and many children. Of course this wheelcake has come down to us as today's Wedding Cake.

We know that a wheelcake is not going to do a great deal toward providing you a happy and prosperous life, but HUNDSON'S stands ready to help you steel planning your future through a properly planned Wedding.

And the best way to get started is to come by HUNDSON'S now. Your selections should come first. 5,048 Hear Cassidy; Expect More This Evening for Yes

Only 5,048 watched a singing concert by television star David Cassidy of the "Partridge Family" Saturday night at the Mississippi River Festival at STUE. But a mammoth crowd may be attracted at the final 1972 MRF program at the local university tonight.

The attraction at 8:30 this evening is Yes, an English rock music group composed of Jim Anderson, lead vocal; Steve Howe, guitar and vocal; Chris Squire, bass and vocal; Rick Wakeman, keyboard; and Alan White, new drummer replacing Bill Bruford.

Yes has a hit single recording, "America," and the latest of its four albums, "Fragile," has reached as high as fourth on national sales charts. Other Yes hits include "Roundabout" and "Your Move."

R. Saragat Shriver will make his first campaign appearance in Illinois with Dan Walker at a downtown fundraising dinner in Walker's honor Thursday, Aug. 31.

Shriver, Democratic candidate for Vice President, and Walker, Democratic candidate for governor of Illinois, will both speak at the \$50-a-person dinner-dance. It will take place in the Carbondale at the Southern Illinois University Student Center at 7 p.m.

Pollution Rules on Auto Exhausts OK'd

The Illinois Pollution Control Board has passed new regulations allowing an episode to be declared when warranted by excessive levels of pollution from automobile exhausts.

The episode, the most serious and dangerous pollution situation, formerly could be called only when sulfur dioxide in the air exceeded allowable standards. The new regulations include carbon monoxide, nitroxides or photo chemical oxidants, all normally produced by automobile engines, to the list of pollutants for which an episode may be declared.

A hearing on the regulations was held in Granite City earlier this summer.

Those attending were Mesdames Gladys Waggoner, Ann Tatum, Mary Evelyn Yencho, Kathryn Powers, Jo Ervay, Shirley Morgan, Georgian Van Buskirk, Judy Adams, Mary Lou Richeson, Misses Martha Ruth Thomas, Doreen Sheridan, Betty King, Eunice Hatcher, Mary Hassler and two guests, Mrs. Karen Costello and Miss Lisa Todd.

Trash Cost

ent street department staff to carry out all its necessary assigned duties and still pick up burnable trash, as evidenced by the trash piling up in the yards throughout the city.

"I hasten to add that this is not a criticism of the street department for they were not designed to be trash haulers; they do perform their duties within the street department in a most commendable way."

"I agree that the present contract with Millam Corporation East will not be sufficient for the additional trash to be carried, but is an additional \$24 annual taxation to the people of Granite City not more than sufficient to cover this added expense."

"There are approximately 13,000 homes or taxable units in Granite City; at a \$24 tax increase per year per unit this would amount to \$312,000."

"Considering the fact that our present tax base already includes the cost of the present contract, \$190,000, for an additional \$312,000 — is there that much more trash?"

"Assuming that each household in the city deposits half again as much trash, would not a realistic businessman expect it to cost half again as much?"

"My figures show half of \$190,000 to be \$95,000. Since I

am already taxed for \$190,000, I need not be taxed for this again. If there are to be any additional taxes, I see only a \$95,000 maximum increase.

"I remind you that this \$312,000, if we are to calculate \$24 per year against 13,000 taxable units, is a sizable difference from the \$85,000 which I believe would be more than sufficient to cover any additional cost."

"Follow citizens, should we not protect our rights by taking an interest in the taxation and ordinances of our city?"

"Do not let the ballot in the paper determine the direction of the government of our city, for other than citizens of Granite City have access to this ballot."

"Contact your alderman and express your opinions — he's your elected voice in Granite City government."

50,000 Drivers Fail

Last year over 50,000 Illinois drivers failed the state written exam. Experts say — "One reason is, rules and regulations change and even some state drivers don't keep up with the new laws." If your license expires this year, you may be among the thousands that will be re-examined in 1972. So if you're nervous about taking the written exam, here's good news. You

can purchase your own "self-scoring" test papers, with questions, answers and "road signs" you should know for that important examination day. This method has helped thousands pass. Tentative Madison School Budget May be Increased

The Madison School Board Thursday night approved a tentative 1972-73 budget of \$2,697,084 which reflects a \$47,913 deficit.

The budget, which is \$4,111 less than the \$2,611,493 budgeted last year, will increase the deficit from the \$96,333 recorded July 1, 1972, to \$134,246 by June 30, 1973, which may necessitate the issuance of a \$150,000 anticipation warrant during the year, school officials said.

Carpenters in Talks; Accord Expected Today

Settlement was expected to be reached today between the Carpenters' District Council of Madison County and Builders' Association on a new one-year contract.

Negotiators for the two groups were to meet today in the Builders' Building in Belleville and a settlement was expected to be based upon the 1-year agreement reached Thursday between the SIBA and the Tri-County Carpenters' District Council.

That agreement, covering about 1,200 carpenters in St. Clair, Monroe, Washington, Clinton and Randolph counties, calls for a 40-cent per hour increase in fringe benefits. The increase includes 15 cents in hospital and welfare benefits retroactive to Aug. 1, and a 25-cent increase in pension benefits effective Jan. 1, 1973.

The Madison County group, which had granted a contract extension from July 31 to Aug. 15, will request retroactive benefits only to when the extension expired, Aug. 16.

It represents about 1,400 carpenters in Madison, Bond and Calhoun counties and parts of Macoupin and Jersey counties. A union spokesman said today that no difficulties are expected in reaching agreement.

Laborers continue to strike in 28 Southern Illinois counties which do not include Madison County. Agreement with highway laborers in Highway District 7 was reached Monday but construction workers remain idle. In Highway District 9, both highway laborers and construction workers remain on strike.

The laborers, members of the Southern Illinois Laborers' District Council, are striking against the SIBA, the Associated General Contractors of Illinois and the Egyptian Contractors Co.

They are seeking a 50-cent increase from the old contract of \$3.35 an hour, plus improved working conditions. The carpenters' settlement will raise their overall hourly rate from \$9.87 1/2 per hour to \$9.27 1/2 per hour, including fringe benefits.

084 which reflects a \$47,913 deficit.

The budget, which is \$4,111 less than the \$2,611,493 budgeted last year, will increase the deficit from the \$96,333 recorded July 1, 1972, to \$134,246 by June 30, 1973, which may necessitate the issuance of a \$150,000 anticipation warrant during the year, school officials said.

The budget does not include probable increases in teachers' and custodians' salaries as negotiations for the 1972-73 school year have not begun.

Income during the year is expected to total \$2,559,171, higher than income of \$2,412,439 projected in the 1971-72 budget. Proposed expenditures in the educational fund total \$2,213,685, slightly less than the \$2,215,352 in projected revenue. The excess could reduce the July 1 deficit of \$130,361 noted this year.

Building Fund Cuts

The transportation fund showed a \$2,346 deficit July 1 and the proposed budget would increase that nearly \$10,000 without borrowing. Estimated revenue total \$31,618 while proposed expenses for transportation were set at \$41,000.

Two funds which are in the black, the bonds and interest fund and the municipal retirement fund, are expected to remain in the plus column at the end of the new budget period.

A cash balance of \$34,378 in the bonds and interest fund July 1 is expected to be decreased only slightly after expenditures of \$135,975 are taken from the estimated revenue of \$135,775.

Revenue of \$50,351 into the retirement fund is expected to exceed expenditures of \$48,000, thus increasing the \$2,351 cash on hand July 1.

The board approved the tentative budget and ordered it placed on public display for 30 days at the Wensel L. Brown Building (school board office), 1707 Fourth St., Madison.

A public hearing will be held at 7:30 p.m. Thursday, Sept. 21, preceding the regular board meeting at which the bill is to be permanently adopted.

GARAGE DOOR FORCED

Fred Laird, 3000 Warren St., reported at 1:30 a.m. Sunday that someone forced the door to enter his garage, but nothing was missing. It was believed the burglar was frightened by a neighbor.

DeMolays Hear Reports On Conclave at Meeting

Hiram Abless, master councilor, presided at the regular meeting of James Stuart Chapter, Order of DeMolays, at the Masonic Temple last week when a full report was made of the 44th annual conclave held at the Carbondale campus of Southern Illinois University Aug. 10-13.

It was conducted by Charles E. Hileman Jr., state master councilor of Granite City. Thursday was devoted to a sports jamboree. The tug-of-war competition had two DeMolays from here placing. Steve Hileman was on the first place team and Paul Boyer on the second place squad. Steve also placed second in the pinchole competition.

The conclave officially started at noon Friday. There were 29 DeMolays from the local chapter in attendance full time and three part time. Also in attendance were four advisors and 11 guests for various events of the conclave. A professional fireworks display concluded Friday's activities, with cartoons and "Cool Hand Luke" being shown for the late nighters at 1 a.m. Saturday.

Following business sessions Saturday, where by-law changes were made and state officers elected, the master councilor's banquet was followed by the conferring of the Degree of Chevalier grand ball. Three local DeMolays were conferred with the Degree of Chevalier—Steven R. Ebrecht, Bruce W. Hawkins and Robert A. Hollenbeck.

The grand ball was climaxed by the state sweetheart contest with the crowning of Kathy

Parmley, daughter of Alderman and Mrs. Gerald Parmley, 3221 Willow Ave., as the state DeMolay Sweetheart. She was escorted by David Ledbetter, the chapter's senior councilor.

Weather became a factor but did not cancel the DeMolay Rededication Service which followed the grand ball. About 400 DeMolays took part in rededicating themselves to the ideals of DeMolay—Love of God, Love of Family, Love of Country.

The conclave concluded Sunday with the master councilor's breakfast which included a Worship Service, awards and the installation of state officers for the 1972-1973 DeMolay year.

The chapter's state championship softball team received its trophy with all but three of the squad present. Wally Todd, player-manager, accepted it. Installed as state master councilor was Dan G. Loesch of Freeport, and as deputy state master councilor, David M. Curliott of East Moline. Hileman presented the past state master councilor's jewel and gave a farewell address. Steven Hileman, his brother, became a past state scribe.

DeMolays attending from the local chapter were Hiram Abless, Kenneth Brooks, Bill Cochran, Paul Boyer, Steve Ebrecht, Dave Epping, Kevin Fallis, Joe Favier, John Hakkarainen, Bruce Hawkins, Chuck Hileman, Steve Hileman, Richard Hillman, Robert Hollenbeck.

SIUE Women's Teams to Play In Intercollegiate Sports

Organized intercollegiate athletic competition for women is expected to begin this fall at Southern Illinois University at Edwardsville. The program is an outgrowth of informal women's sports competition.

The proposal for intercollegiate athletics for women, made originally by the student affairs council of the University Senate, was endorsed by the full Senate and has been approved by Dr. John S. Rendleman, SIUE president.

Faculty staffing, including the position of director of women's intercollegiate athletics, will come from women members of the department of health, recreation and physical education. Coaches and the athletic director will serve without additional compensation. Funds for the women's program will come from the student athletic fee, the source now supporting intercollegiate athletics for men.

Rosemarie Archangel, associate professor of health, recreation and physical education, said the university hopes to have women's teams in field hockey, basketball, volleyball and softball. All full-time undergraduate women students who are amateur athletes will be eligible to try out for the teams. No athletic scholarships will be provided.

Scheduling of opposing schools is under way and will be announced as soon as possible. Only schools within easy driving distance of SIUE will be scheduled.

SIUE will become a member of the Association for Intercollegiate Athletics for Women. Competition will be governed by rules of that group and by rules governing the Division for Girls' and Women's Sports of the American Association for Health, Physical Education and Recreation.

Extra Running Room For Pro Quarterbacks

By FRANK MACOMBER
Copley News Service

Two rule changes could make National Football League action more exciting for the fans this season.

Hashmarks — those parallel chalk lines where the ball is placed down after each play — instead of being 20 yards from each sideline will be nearer the center of the 53-yard-wide field and only 18½ feet apart — precisely the width of the goal posts.

The extra running room will help the offensive team, giving the quarterback more

space for evasive action and thus extra time to pick up his receivers.

The fans should see more exciting action, too, because of less importance given to the selection of weak side or strong side plays.

Because the extra running room is likely to trigger more zone plays, the zone defense will have a tougher time projecting pass defenses.

With extra time for the quarterback to pick out his receivers, the defensive team will rely more on man-to-man coverage and less on zone defense.

The field goal kickers will gain by the new rule, too, for the angles of their short tries will be lessened by the new hashmark positions.

"Hopefully, the new rule will make it a more wide-open game for the offense and therefore for the fans," says Ron Walker, special teams coach for the San Diego Chargers and the team's advisor on rule changes.

A second new rule which should pack more action into Sunday afternoons allows punt-receivers to return kicks which fly or roll over the goal line.

Until this year, the punt has been dead automatically if it crosses the goal line untouched by either team and returned to the 20-yard line.

"Under the new rule," Walker explains, "the punt receiver can run the ball out of the end zone if he chooses to, just as the ball can be run out of the end zone when a field goal is missed."

It should make some punt plays more exciting. The punt, of course, is tougher to return from the end zone than the field goal attempt because the offensive line gets down field more quickly under punts than on field goals.

Walker, a former Los Angeles Rams star running back and a 1966 All-Pro selection, says it takes an average of two seconds for the kicker to get his punt away and it's in the air another 4.5 seconds on the average.

It takes about seven seconds for linemen to get down field. "So the punt receiver in the end zone doesn't have too long to decide whether he'll try to run the kick back or let it go," Walker points out.

"It should make what happens on some of those down-punt plays very interesting this year."

It only requires an average of 1.3 seconds to attempt a field goal, and the offensive line is more interested in blocking the defense away from the kicker than getting downfield in a hurry, Walker says.

The NFL competition committee, comprised of representative coaches from each conference, considered changes in the so-called "sudden-death" play-off rule after the games but didn't recommend them to the league for a vote.

One proposed change dis-

Year of the Mini-Backs For Trojan Football Team

"This will be the year of the mini-backs," Al Vander Haar, head football coach for the Madison High School Trojans, said today. "The only people we got that go over 200 pounds this year is the coaching staff."

Vander Haar referred to returning letterman as Charlie Johnson, 5-8, 155 halfback Roger Glasper 5-6, 145, running back, and John Newsome 5-7, 155, who will play either full-back or quarterback.

Other returning lettermen will be Randy Gravelle 5-10, 157; Joe Young, 5-4, 120; Carl Turner, 5-4, 135; Mark Sprandle 5-6, 160; and Charles Love 5-5, 140.

Vander Haar estimated that the varsity Trojans this season will constitute about 16 sophomores and perhaps 10 seniors. Last season the Trojans played two freshmen.

Independent Football
Madison again will play independent football against much larger schools.

They open on the road in St. Louis against Central at 4 p.m.

Sept. 14 and will play their first home contest at 2 p.m. Sept. 23 against Eureka, Mo.

Vander Haar remarked in regard to practice starting at 7 a.m. Wednesday, "We'll be holding two sessions a day, one in the early morning and again at 4 p.m."

"Of the 275 boys in the school we will probably have 50 out for the varsity team and another 25 for the freshman-sophomore team."

"We don't cut anyone in practice," they generally cut themselves when it becomes too tough for them. We will be practicing everybody together.

That way the varsity members can help the freshmen as we work fundamental drills. I like everyone helping each other.

"Since we have such a good coaching staff, by everyone working out together it gives all the coaches a chance to size

Belleville Team Protests Legion State Tourney

The Belleville American Legion baseball team has protested its 5-4 12inning loss to Arlington Heights in the Illinois championship game during the week-end at Arlington Heights.

Belleville Coach Barney Elser maintained that his team was required to play seven games in the tournament while Arlington Heights, which Belleville had defeated, played four in the double-elimination event.

He pointed out that Barrington lost more than two games, creating confusion and rules violations. A decision is due this week.

Hagop's Heroes Lose in Meet

Hagop's Heroes were the last local softball team to bite the dust in the Class A Illinois Amateur Softball Association tournament played the past two weeks in Caseyville.

Hagop's lost its second game in the double elimination tournament Sunday against Decatur 5-2. Dennis Hecht homered for the Heroes in their final game.

The Heroes won their second game Saturday against East St. Louis 6-3, after losing to Rantoul 6-0.

The other local teams, eliminated earlier from the competition, were Triple A Bookkeeping and Charlie's Restaurant.

OVERSEAS DELIVERY AVAILABLE

Buy any new '72 Volkswagen from us and you won't have to pay a penny for service for 1 year/12,000 miles.

What the plan is all about: No manufacturer's warranty in the world covers normal maintenance work.

But our service plan does.

With the service contract we're giving away you can get your engine tuned, your wheels aligned, and your brakes, fan belt and clutch adjusted whenever you need to, without spending a cent.

Lube jobs are free.

Spark plugs are free.

Points, condensers, wiper blades, fuses, hoses, even light bulbs are free. We'll look for trouble, too. And you won't have to pay for the inspections, either.

Actually, for 12 months or 12,000 miles (depending on whichever comes first) you won't have to pay for any of the service you'd normally pay for, with a Volkswagen or any other car. Because, except for gas, tires and collision damage, your problems are our problems.

Now, what do we expect from you?

You have to buy a new '72 Beetle, Super Beetle, Station Wagon, Squareback, Type 3, Karmann Ghia, Camptown, or 411 from us.

You have to bring it back where you bought it every 3 months or 3,000 miles, so we can maintain it according to Volkswagen's maintenance schedule.

And you can't modify, abuse or torture it.

That's it.

Except for one last detail.

We can't make this offer indefinitely. So don't put off coming to see us.

Wouldn't you rather kick our tires than kick yourself?

Mercer Clobbers Boosters 8-2, Tied Again for Second

Mercer defeated St. Mary's Boosters 8-2 yesterday at Wilson Park to gain a tie with the Boosters for second place in the Blue Division of the Illinois Inter-City Baseball League. Each team has a 7-9 record.

Both squads will pair off again in the opening round of the divisional playoffs at 2 p.m. Sept. 3 at Wilson Park.

The league's All-Star game, rained out on July 4, will be played Sunday on the Moonlight diamond at Troy.

The Boosters took a forfeit victory from Moltor Motors in a game which was scheduled Thursday night at Collinsville. Moltor was unable to field a full team.

Mercer's Bill Campbell led his squad yesterday with three hits and four runs batted in. Bob Finke tripled for the winners to score Jim Greenwald and Campbell.

Don Harris was the winning pitcher. He fanned seven, walked one and gave up seven hits.

Mercer gave the Boosters their two runs, according to Jim Greer, manager, Boosters. In the fourth inning Booster Ken

Cook got on base on an error and went to second on a sacrifice fly. Ron Davis singled and Cook scored as the Mercer right fielder made an error on a ball hit by John Page.

John Piechocinski, St. Mary's hurler, tripled in the fifth and was sent home on a sacrifice fly by shortstop Jay Green.

Mercer took the lead with two runs in the first inning and we were playing catch up ball the rest of the game and we just didn't catch up," Greer lamented.

Other action Sunday Highland-Pierron defeated Piassa 10-2, Moltor beat Fairfax 9-4, and Vans of East-Alton dented Glen Carbon and won 14-3.

Terry Tessary Takes Tourney Tee Trophy

Terry Tessary earned top honors in the Granite City Park District's second annual golf tournament Sunday, shooting a three-under par 68 on the Arlington Golf Course.

Tessary showed the lowest score of the day in the finals of the tournament which began with qualifying rounds Aug. 12 and 13. Finishing second in the championship flight was Chuck Weiss who shot 73 and Dave Knolma with a 76 round.

John Reed earned top honors in the class "A" flight with a round of 76 and Russ Chappel placed second at 78 and Harry Lane was third at 79.

Class "B" finishers were Jim

Warren, first, 87; Gilbert Walmesley, second, 89; and Les Thompson and Wes Ziegler, tied for third at 90 each.

Eldon Craft carded 83 to win the "C" class competition, five strokes ahead of Ray Huff with 88 and six fewer than Frank Kraus who shot 89.

A total of 44 players participated in the final rounds with scores ranging from Tessary's 68 to a high of 111. Trophies and prizes were awarded by Park Board President Henry R. Gabriel and Harold E. Brown, director of parks and recreation. Frank R. Rea, park board secretary, served as tournament director.

Dog n Suds Wins Rebels, Petrillo Bow In Regional Tourney

The Dog N Suds baseball team won the Granite City Park District's second annual baseball tournament at Wilson Park over the weekend.

The winners downed St. Mary's of Madison 12-5 Sunday for the title. St. Mary's catcher Ditch homered.

Home runs for the winners were blasted by Paul Mushill and Bruce Wilson. The winning pitcher was Sonny Hankins.

The champs beat Lebanon 7-1 Saturday with Keith Moran and Mushill homering. The winning pitcher was Sonny Hankins.

Mushill hit two home runs in the second game as the East-Alton Cubs went down 12-4. Rick Fancher was the winning pitcher.

It's all over for the Granite City Rebels and Petrillo Producers who played during the weekend in the Regional Illinois Softball Association tournament at St. Charles.

The Wisconsin Runnersup blanked the Rebels 22-0 in their first game Friday.

The Rebels came back to beat a Forrest Park team from the Chicago area 7-1, helped by a four bagger by Kathy Robb, only to lose again to the Wisconsin Runnersup 8-6 in the semi-finals.

Petrillo lost to the Chicago area champions 13-11 in its first game Saturday came back

to win 4-1 over the Wisconsin state champs, but lost 8-2 to the Wisconsin Runnersup.

The GC Rebels earned their way into the Region 22 tourney by winning the Illinois State championship, while Petrillo captured the second spot.

The Rebels are coached by Leo Pyles and managed by Lou Link. The Petrillo team is managed by Mary Brokaw and coached by Don Deterding.

Petrillo finished its season in the Granite City Park District League 12-0 and was 7-5 in Class A competition.

The Rebels will play Thursday in Wilson Park in league playoffs.

St. Pierre-Rensing Engagement Told

The engagement and plans for an October wedding of Miss Marilyn Rensing and Kent St. Pierre is being announced by the bride-elect's parents, Mr. and Mrs. Emmett Rensing, Rural Route Two, Collinsville, formerly of Granite City.

Mr. St. Pierre is a son of Mr. and Mrs. Elmer St. Pierre of Rural Route Seven, Edwardsville.

Miss Rensing is a 1967 graduate of Collinsville High School and of Eastern Illinois University. She will be teaching Learning Disabilities in Granite City this fall.

The prospective groom also is a graduate of Collinsville High School class of 1967. He received a B.S. degree in Accounting and a masters degree in Business Administration from Eastern Illinois University.

The wedding is being planned for Oct. 6.

Each guest received a candy favor, and each child was given a small toy.

Games were played by both the adults and children, and a special prize was given to Miss Laura Thurston.

In attendance were Mr. and Mrs. Ray Wilsman, maternal grandparents, Mrs. Edith Maxville, maternal great-grandmother, Mrs. Maybelle Harrison, paternal grandmother, and Leo Harrison, Roy Walker, Mrs. Opal Maxville.

Mrs. Mary Liniger and sons, Michael, Matthew and Mark, Mr. and Mrs. Ed Leach and daughter, Kimberly, Floyd Cruse, Mrs. Dovie Thurston, Miss Laura Thurston, John Valieryn, Eric and Robbie Wilson and the honoree's younger brother, Timothy.

GC WOMEN HOME FROM TOWN IN EAST
Mrs. Ellen Grace Hoffmann, 2151 East 24th St., and her sister, Miss Pearl Morgan, 2122 Washington Ave., returned this week from a nine-day Presley Tour of the New England States. The tour covered 13 states and eight state capitols.

Among the interesting places visited were Niagara Falls, Lake Placid, a tour of historic Boston and New York City and New York Harbor. This trip also included a cruise through the Thousand Islands on the St. Lawrence Seaway.

Along the Pennsylvania Turnpike, the two women saw many of the picturesque farms of the Amish people. The barns of these farms have hex signs painted on them, making a very interesting picture. Originally these hex signs were thought to be necessary to keep away evil. Now the signs are merely ornamental, the women explained.

TOADS, STOOL/STOLEN
Two green 45-pound toads, apparently of a ceramic material, valued at \$15 each, and a stool valued at \$7.50 were stolen from the front yard of Helen Geroff, 3332 Princeton Drive, after 1 a.m. Thursday, she reported at 4:45 p.m.

MOTORCYCLE STOLEN
Norman Moerlin, 2209 Washington Ave., reported at 2:35 p.m. Thursday that his white 1969 motorcycle was stolen from his home during the night.

Mary Ruth Cox Married In Candlelight Setting

White Marguerite daisies arranged in altar bouquets, lighted tapers in braided candelabra at the altar and hurricane lamps festooned with white satin bows marking the pews, provided the setting at St. John United Church of Christ for the wedding Saturday evening of Miss Mary Ruth Cox and James Robert Snelson.

Mrs. Irene Barrick presided at the organ as Miss Angela Epperson sang, "One Hand, One Heart," the "Lord's Prayer" and "We've Only Just Begun."

Lighting the candles preceding the arrival of the wedding party were Richard Arbogast, a nephew of the bride, and Madeline Perrie, the bride's cousin.

The Rev. Dr. Paul Surbey officiated at the double-ring ceremony at seven o'clock. Parents of the couple are Mr. and Mrs. Allen Cox, 3108 Yale Drive, and Mr. and Mrs. Arthur Snelson, 3229 Wayne Ave.

The former Miss Cox was escorted down the aisle by her father and wore a bridal gown created in white-dotted swiss fashioned with ruffles framing the scoop neckline of the fitted bodice.

Embroidered pink ribbon accented the Empire waist and enhanced the ruffled cuffs of the long sleeves. White ruffles in matching fabric traced the apron effect of the skirt and formed the hemline. A very full train fell gently into a chapel-length sweep.

A tiny Juliet cap of white dotted swiss held the bridal fingertip veil of silk ribbon and she carried a colonial bouquet of white Marguerite daisies centered with pink Sweethearts roses and baby breath.

Miss Deborah Byers was maid of honor. Mrs. Larry Arbogast, a sister of the bride, Miss Carol Knechtel and Miss Kathy Larkins, college roommates of the bride, served as bridesmaids.

The groom chose his brother, David Snelson, as his best man. Groomsman included another brother, Raymond Snelson, Kenneth Bolton and Kenneth Moats. Seating the guests were Douglas Law and James Worthen.

Miss Byers chose a pink and white-checked gingham frock designed with a white dotted swiss yoke and long sleeves terminating with a gingham cuff at the wrists. Fashioned in a jumper style the skirts were accented with a white dotted

SEEDS TO BRAZIL, a World Gardening project in which the Gardenaires Garden Club is taking part by mailing over 300 packets of various seeds to the residents in Belem Para, Brazil. Left to right are Mrs. A. A. Malottki Jr., Mrs. Earl Glenn and Mrs. Charles Kohl.

Gardenaires Aid Brazilians

The Gardenaires Garden Club is participating in a world gardening project by preparing over 300 packets of vegetable, herb and flower seeds to be mailed to residents of Belem Para, Brazil, in South America.

Mrs. Alex Tarpoft, civic projects chairman, and her committee members Mesdames Charles Kohl and A. A. Malottki Jr. met with Mrs. Earl T. Glenn in her home, 1629 Garfield Ave. to complete the workshop project.

The shipment included 223 packets of vegetable seeds in 29 various kinds; 19 packages of herbs and 55 packages of flower seeds, all donated by a local businessman.

The National Council of State Garden Clubs, Inc., sponsors a program of world-gardening to bring the benefits of abundant plant life to areas that are marginally productive or totally barren on an international basis.

Contributions through this World Gardening Program are used to provide people with the

necessities for food production: seeds, garden hose, fertilizers, and insecticides. With these gifts goes education in modern farming methods, irrigation, prevention of erosion, crop rotation, all desperately needed in some cultures.

These world gardening projects are carried out in such places as Sierra Leone, Lesotho, British Honduras, Dominican Republic, Ecuador, the Philippines, East Pakistan, Ceylon, Liberia, Costa Rica, Panama and Kenya.

Although considerable progress has been made, adults and young people in developing areas have a long way to go before they can produce sufficient food for themselves, their communities and their nations. The World Gardening Program is playing an important role in helping them achieve these important objectives.

Mrs. William J. Hedley, of St. Louis, third vice-president of the National Council, who is deeply concerned with the World Gardening endeavor, advised

the Gardenaires upon the most urgent need for seeds in the Belem Para, area of Brazil in South America. September is the beginning of the planting season there, so the seeds were packed and shipped to be planted as soon as possible.

The flower seeds will be used by the 4-S children's groups (singing to 4-H clubs) in civic beautification projects. Most of the vegetable and herb seeds will be used in school gardens.

Student gardeners learn effective agricultural techniques that will prove invaluable in the future as they help eradicate agricultural illiteracy and their knowledge becomes a powerful resource.

Illinois' partner in the World Gardening Program is Sao Paulo, Brazil, Missouri's partner is Belem in the state of Para, Brazil. Mrs. Hedley indicated that the need for the seeds was greater in the Belem area; so Gardenaires decided to send the seeds there. Belem is a coastal city in the north of Brazil. Two years ago, Gardenaires sent garden tools to Sao Paulo area through CARE.

Subtler Colors in Clothing For 1972 Back-to-School Set

Back-to-school fashions this year will be as familiar as an old, comfortable pair of shoes that have just been polished and had new soles and heels put on.

At the high school and college level, coeds will be wearing much the same thing, but the fabrics and colors will make the difference.

Gone are the peacock colors and costume gowns. Hail the return of more subtle colors such as camel and gray, along with a tremendous array of plaids, argyle patterns and tattersalls.

Brush nap fabrics and the classic corduroy will be very popular but knit will rule the fashion fabrics, according to Mrs. Betty Weisfeld, fashion coordinator for a large West Coast department store.

The byword in fashion this year is detail. Necklines will be

yoked, plunging, high and colored as with much attention given to the sleeves—which will be long, short, reglan and full. And waistlines are back. This year they will be tucked, cinched and gathered. With all the attention being lavished on the front, the back has not been forgotten. Backs will be detailed with fancy pleating and bows.

"Length will be of little concern," said Mrs. Weisfeld. "More emphasis is being placed on the body of the dress—leaving the length up to the individual."

This feeling is carried through the skirts, too, which will be featured in pleats, wraparounds and A-lines with detailed pocket-work supplying the finishing touches.

To go along with those fancy skirts will be fancy blouses with bolder shoulders, extended armholes, dropped yokes and cami-sole lines.

"Most of the lines will be rounded," said Mrs. Weisfeld, "with the blouse look, slightly full, being featured in both dresses and blouses."

"And wraparounds will not only be popular in skirts of all lengths but in dresses, sweaters and blouses, making the wrap-around a style for every occasion."

Plaids will be very prominent in femme coats as the lumberjack look becomes evident in the heavyweight coats and the shorter length pants coat replaces the maxi and midi coats as the best thing to keep warm in.

"I see a return to the matched sweater sets which were so popular in the early sixties in styles reminiscent of the 1930s, featuring the soft pastel shades and the angora fabrics," she said.

Under these coats and sweaters, many girls will want to wear pants. And pants fashions will make dear old dad remember one of his favorite screen sirens—Marlene Dietrich.

Pants will have a definite "manish" look about them, with big pleats and cuffs, and some will stop at the boot top. "It's something we haven't

seen for awhile and it should be a lot of fun," Mrs. Weisfeld said. "It's safe to say that variety hasn't gone out of girls' fashions, it will just be done in better taste."

"I feel that young people are becoming more interested in apparel," she said. "They're finding out that they can still be individualistic and wear becoming clothes."

On the guys' side of the ledger, jeans are still the biggest thing going. But they will be classier this year, with the accessories playing an important part in completing the picture.

Cords will be very popular, as will the jean-cut pant. But double-knit slacks will be saved for special occasions.

Knit shirts, however, will be very prominent, especially when combined with tank top sweaters. And yes, the Wallace Berry collarless shirt will find its way into many of the better wardrobes.

The colors for shirts and pants will be bright but not garish. And the emphasis will be placed on the belt, which will be the focal point of men's fashions.

For the feet, the guys will find a variety of footwear, shoe styles, including deck shoes, two-tones, buff and slick leather models.

"The stacked heel also will be popular for men this year," said Mrs. Weisfeld, "but the guys better take a few lessons from their mothers, sisters or girl friends on how to walk and turn in them."

Most of the same fashion trends will hold true for the junior high school and elementary school students, with denim and corduroy jeans being worn by both boys and girls.

THE WORLD'S "BEST ECONOMY SEDAN" IS MORE THAN JUST ECONOMICAL.

DRIVE ONE AND SEE.

Every year the readers of *Car and Driver* magazine vote for the cars they believe are the best in the world in various categories.

This year only two American cars won. One of them was the Chevy Vega.

It was the second win in a row for Vega. And when you consider the competition and the awareness of the voters, that's quite a tribute.

Economy alone didn't win it for Vega. Quality was part of it. So was styling. Also sportiness, comfort and ride. But maybe most important is the way a Vega drives. It's simply one of the best-handling cars around.

You shouldn't take our word for it, though. Or even the word of the *Car and Driver* voters.

What you should do is experience Vega for yourself, now, while The Vega Drive is on at Chevrolet dealerships from coast to coast.

Get behind the wheel of a new Vega Hatchback, Hatchback, Kamback or Panel Express and see how it feels to drive a winner.

Church Settings for Most Summer Weddings of Quad-City Area Couples

Jane Catherine Cowan, Richard A. Duft Wed

Nameoki United Methodist Church was the scene of the late afternoon wedding Saturday of Miss Jane Catherine Cowan, a daughter of Mr. and Mrs. Stuart Eugene Cowan, 1604 Garfield Ave., and Richard Alan Duft, son of Mr. and Mrs. Richard Paul Duft, 3104 Willow Ave.

The Rev. William D. Fester performed the double-ring ceremony at 4 o'clock before an altar decorated with arrangements of white flowers and lighted tapers in branched candelabra. Lighting the candles were Miss Denota Livingston, a cousin of the bride and Allen Briner. White satin bows marked the pews.

Miss Janice Seymour, soloist, sang "One Hand, One Heart," "The Wedding Song" and "Wedding Prayer," accompanied at the organ by Neil Seymour.

Mr. Cowan escorted his daughter down the white-carpeted aisle and gave her in marriage. She wore a full-length gown of white organza over summer satin designed with a fitted bodice, natural waistline and slightly full skirt.

Dedicate lace motifs trimmed the scooped neckline and encircled the waist. The long sheer sleeves of organza were accented at the elbow with a band of lace daisies and featured white satin cuffs that gathered the fabric to form a ruffle over the hands.

Daisy motifs were appliqued on the skirt between rows of lace and repeated on the detachable train that swept into a full chapel length.

She wore a Juliet cap embellished with matching daisy lace appliques to hold in place her bouffant veil of silk illusion and carried a bouquet of white Sweetheart roses.

The attendants were gowned alike in high-waisted jumper

style gowns fashioned with the yoke, collar and long sleeves in a white-dotted swiss. Shutter applied aprons complemented their frocks of rainbow colors. They each held a daisy bouquet of long-stemmed daisies festooned with variegated ribbons.

Matron of honor, Mrs. Michael Ives, appeared in blue as did the candlelighter, Maid of Honor Miss Jo Marie Harding was in yellow. Bridesmaids Miss Julie Cowan, a sister of the bride, chost orchid and Miss Tammy Duft, the groom's sister were green.

Little Linda Briner, the flower girl, wore a frock similar in style to the adult attendants in pink gingham. She carried a basket filled with rose petals. Attending the groom as best man was William Rollins, Robert Richardson, Jim Rollins, William Taff, William Cowan, a brother of the bride, Walter Greathouse, Dave Thomas and Joe Klesh, the groom's uncle, completed the corps of groomsmen and ushers. Jeffrey Pare, a cousin of the groom, was the ringbearer.

Mrs. Sherri Cowan, a sister-in-law of the bride, presided over the guest book at a reception given at the Croatian Home in Madison immediately following the ceremony.

Mr. and Mrs. Duft, parents of the groom, were hosts at a rehearsal dinner held at Rusty's Restaurant in Edwardsville, Friday evening.

The newly-married couple left for a wedding trip to California and upon their return will reside on Cambridge Drive.

Employed at Missouri Pacific Railroad, the bride was graduated from Belleville Area Junior College where she received an associate degree in Data Processing.

Mr. Duft is a student at SIUE where he is majoring in business administration. He works at A. O. Smith plant and is a member of TKE fraternity.

The bride's mother chose a Paris original A-line dress of azure-blue lutescent polyester. Short sleeves were set in the fitted bodice featuring a jewel neckline. Her accessories were tinted to match the dress and she wore a corsage of white orchids.

Mrs. Duft, mother of the groom, was attired in a petal pink peau de soie frock designed with elbow length chiffon sleeves. The fitted bodice was lavishly appliqued with flowers and seed pearls. Matching accessories complemented her costume and she held white orchids pinned to her purse.

MRS. RICHARD ALAN DUFT, the former Miss Jane Catherine Cowan, a daughter of Mr. and Mrs. Stuart E. Cowan, 1604 Garfield Ave. She was married Saturday afternoon at Nameoki United Methodist Church.

MR. AND MRS. CHARLES KINWORTHY. They were united in marriage at the First United Pentecostal Church. The bride is the former Miss Judy Eastler, a daughter of Mr. and Mrs. Thomas Eastler, 924 Joy Ave.

Miss Sue Keller Married In Evening Ceremony

Miss Sue Keller, a daughter of Mr. and Mrs. Bill Keller, Rural Route Two, Collinsville, and Robert Bunselmeyer, son of Mr. and Mrs. Donald Bunselmeyer, Rural Route One, Granite City, were united in marriage in an evening ceremony Friday at St. John Evangelical United Church of Christ in Collinsville.

The Rev. Don Sabbert performed the double-ring ceremony at seven o'clock before an altar banked with bouquets of summer white flowers and greenery.

Preceding the bride down the aisle were Misses Kay and Kim Keller, sisters of the bride and Miss Janet Bunselmeyer, the groom's sister.

Their floor-length gowns were fastened with yellow-dotted swiss featuring tiny ruffles around

the jewel neckline. A satin ribbon encircled the Empire bodices that were designed with short puffed sleeves.

They carried nosegays of mixed white and yellow daisy "bunches."

Given in marriage by her father, the former Miss Keller chose a pure white organza gown. The Empire style bodice of Venise lace had a high neckline and short sleeves. Floral lace motifs were appliqued on the long skirt and hemline that extended into a full-sweep train.

A total look mantilla veil was bordered in matching lace and secured with a lace profile headpiece. The bride carried a bouquet of white daisy "mums" and yellow Sweetheart roses.

The groom chose his cousin, Edward Branding, as his best man. Ray Kimball and John Rebeck were groomsmen and Gary Gaines and Curt Strode served as ushers.

Guests were received by the newly married couple at a reception held at the Veterans of Foreign Wars Hall in Collinsville, immediately following the ceremony.

A graduate of Collinsville High School, the bride is employed as a secretary for Harrison Walker Refrigerators Co., St. Louis.

Mr. Bunselmeyer was graduated from Granite City High School and attended the University of Illinois. He presently is engaged in farming.

Mrs. Gary Stich Shower Honoree

A recent bride, Mrs. Gary Stich, was honored at a bridal shower given by Mrs. Harold Lynn, Mrs. Milford Hahn and Mrs. Waldo Frohardt at the Frohardt home, 2311 Edison Ave.

Those present were Mrs. Tony Valencia, the bride's mother, Mrs. Fred Stich, the groom's mother, and Mrs. Virgil Buchanan of Mount Vernon, the groom's grandmother.

Medames Fred Kuneman Jr., Howard Harris, William Eichacker, Norman Holsinger, Irvin Doty, Edgar Padock, Calvin Compton, Marvin Barnes, Mesdames John Lerch, Bert Cartwright, Vasil Solf, Robert Richardson, Raymond Henley, Ruth Purkey, Pearl Camp-

Couple Exchange Vows at First United Pentecostal

The wedding of Miss Judy K. Eastler and Charles R. Kinworthy was solemnized Aug. 11 at the First United Pentecostal Church, 2450 Pontoon Road.

Officiating at the 7 p.m. candlelight ceremony was the Rev. Kenneth V. Reeves, before an altar decorated with arrangements of white and white flowers and greenery.

The bride is a daughter of Mr. and Mrs. Thomas Eastler, 924 Joy Ave., and the groom is a son of Mr. and Mrs. Marvin Kinworthy, 2610 Propros Ave.

She wore for her wedding a full-length gown of white organza featuring a Pleated Empire bodice with a high neckline and long sheer sleeves. Her tiered shoulder-length veil was held in place by a flat satin bow and she carried a bouquet of white daisies and lily of the valley.

Mrs. Dornelle Kessler, organist, furnished several wedding selections and accompanied Mrs. Joe Tendlas as she sang, "Because" and "I Love You Truly."

Matron of honor, Mrs. Marilyn Matlock of Owensboro, Ky.,

Linda Schubert Married At Crestwood, Mo., Church

Miss Linda Marie Schubert, in a bridal gown of white Sata Peau and Chantilly lace, became the bride of Thomas Michael Williams, 7971 Royal Arms Court, St. Louis, Mo., Saturday evening, at the Southminster United Presbyterian Church, Crestwood, Mo.

Her gown was designed with a portrait neckline, long tapered sleeves and a high-rise waistline. The bodice and sleeves were of Chantilly lace and motifs of the matching lace were scattered throughout the skirt and train that fell into a long sweep.

She carried a bouquet of white orchids and blue cornflowers intermingled with ivy.

The Rev. David Rowland performed the double-ring ceremony at 7 o'clock before an altar decorated with bouquets of white flowers.

Parents of the couple are Mr. and Mrs. Clarence S. Schubert, 9021 Westmore Drive, St. Louis, and Mr. and Mrs. Kenneth A. Williams of 1804 Fifth Street, Madison.

A friend of the bride, Miss Debra Albre, was maid of honor with Miss Caryl O'Keefe and Miss Cynthia Cooper, cousin of the bride, as attendants. They appeared in long pale blue gowns fashioned with puffed sleeves and bodices of gingham. Ruffles of the matching ging-

ham enhanced the hemlines of the gowns.

Each of the attendants carried a basket of wildflowers.

The groom chose Marvin Owen for his best man, with John Harrison and Robert Robbins as groomsmen. Stephen Shipoff and Alan Dryer, ushers, seated the guests.

Mr. and Mrs. Williams received their friends and relatives at a reception held immediately after the ceremony in the Church Fellowship Hall.

A honeymoon trip to Pennsylvania was taken by the couple. Upon their return, they will reside in Crestwood, Mo.

Mrs. Williams, the former Miss Schubert, a graduate of Lindbergh High School, Drury College, University of Mo., now is teaching at Sperrung Middle School.

Mr. Williams, a graduate of Madison High School and of Eastern Illinois University also is teaching at the Sperrung Middle School (Lindbergh District).

For her daughter's wedding, Mrs. Schubert was attired in a deep rose-colored crepe dress with short sleeves and a beaded bodice. She complemented the attire with matching accessories and a pale green orchid corsage.

Mrs. Williams, the groom's mother, chose an aqua lace satin coat and dress ensemble featuring white accessories. She wore an orchid corsage.

MR. AND MRS. STEVEN L. MILLER who were united in marriage at the home of the bride's parents, Mr. and Mrs. Darwood Snyder, 2148 Robert Ave. She is the former Miss Vicky Lynn Snyder

Vicky Snyder Marries Steven Lynn Miller

Miss Vicky Lynn Snyder and Steven Lynn Miller, son of the Rev. and Mrs. H. Wesley Miller, 830 Forest Ave., Belleville, were married on July 22 in the home of the bride's parents, Mr. and Mrs. Darwood Snyder, 2148 Robert Ave.

The Rev. Eddie Guinn, St. Louis, officiated at the double-ring ceremony at 6 p.m.

Miss Sue Miller, a sister of the groom, was maid of honor, and Greg Johnson served as best man.

The bride chose to wear a floor-length gown of blue bonded crepe, featuring long sleeves with ruffled cuffs and a high neckline. A matching small ruffle that was repeated at the hemline.

She wore a ribbon bow headpiece to match her gown and held a Bible topped with a single red rose.

Miss Miller selected a royal blue floor length gown designed

similar to the bride's and held a long-stemmed red rose.

The bride is a graduate of Granite City High School and her husband presently is employed at Granite City Steel Co. He completed a tour of duty with the U. S. Army as a paratrooper.

July Canal Freight Second Highest

Freight tonnage shipped through the Chain of Rocks Locks and Canal in July was the second highest ever recorded here, topped only by shipments in May this year.

A total of 5,414,548 tons passed through the locks in July, slightly less than the 5,490,775 tons recorded in May, an all-time record month. May made the former record of 5,373,775 tons set in Oct. 1970.

The July shipments included 5,402,948 tons in commercial shipments and 11,600 tons of contractor tonnage. The July total exceeds shipments totaling 5,142,448 recorded in June.

Thus far in 1972, shipments have exceeded all previous years and continue to top shipments in 1970, a record year at the locks. A total of 31,753,771 tons passed through the canal in the first seven months of this year as compared to 28,088,302 tons in the same period of 1970 and 27,221,178 tons in the first seven months of last year. Shipments for all of 1970 totaled 50,747,918 tons.

The numbers of all types of vessels passing through the canal increased from June to July with the exception of tow boats, declining from 1,071 to 1,011; patrol boats, declining from 16 to seven; and government barges, remaining constant at eight each month.

Ship Movements Up

Increases included: barges, up from 5,647 to 5,561; passenger boats, from two to six; U.S. contractor boats, from zero to 65; private recreation boats, from 187 to 379; government tow boats, from zero to four; and government construction boats, up from zero to one.

Lockages increased from 926 in June to 971 in July, bringing the total for the first seven months of the year to 6,526, nearly doubling the 3,538 in the same period last year. Lockages

Man Held, Two Sought In Railroad Theft

Wendell J. Willis, 20, of East St. Louis, was arrested here last week and charged with petty theft.

Willis, police said, is a suspect in the theft of spare tires from three cars on a railroad auto carrier in the Terminal Railroad yards near Collinsville Road and Alton Avenue, Madison.

He denied the charge, saying he purchased the tires from two other men for \$30.

Police were told three men were opening the trunks of autos on the railroad car. When they investigated, they found car keys in the trunks of three autos and the spare tires and wheels gone.

They noticed three men transferring tires from one car trunk to another in Eagle Park Acres a short time later. When the police approached, two men entered the car and fled. The third man ran into Grenzer Homes. Willis later appeared at police headquarters.

The car used by the two men who escaped was found abandoned in Venice, police said.

AIR CONDITIONER STOLEN

An air conditioner unit was stolen in a burglary at the home of Mrs. Freda Harmon, 1740 Ferguson Ave., it was reported last week. Entry was gained by cutting a hole in a window screen.

In July 1971 totaled 660,894,800 up, 1,400 down; cement, sand and gravel, 22,100 up, 77,300 down; sulfur, zero up, 2,458,448 tons, with 2,944,500 tons moving downriver. Freight shipments included: petroleum products, 536,800 tons upriver, 170,850 tons downriver; grain, 18,000 up, 2,378,750 down; coal,

MARINE HONORED. Private First Class David B. Kelley, right, receives award for excellent achievement in the Marine Corps physical fitness test, from his series commander First Lt. McMullen. Pfc. Kelley scored the highest mark of any of the young men in his graduating series.

David Kelley Tops in Marine Fitness Test

Private First Class David B. Kelley, 17, son of Mr. and Mrs. Daniel Kelley, 2012 Buxton St., has been presented with a certificate in recognition of excellent achievement in the Marine Corps physical fitness test at the recruit depot, San Diego, Calif.

In a letter to the service-man's family, Colonel E. G. Derringer, commanding officer, said Pfc. Kelley attained an exemplary score of 292 points out of a possible 300. His score was the highest of any young man in the test series.

Pfc. Kelley enlisted in the Marine Corps in April this year and has been home on leave following his graduation at the California base.

Portable Executive Office For Gov. Ogilvie Campaign

Springfield—Gov. Richard B. Ogilvie on Thursday pledged a fighting, "person to person" campaign in an address to Republicans gathered for Governor's Day at the Illinois State Fair.

The drive will begin Monday, Aug. 28, at Metropolis and move north to the state line.

The governor will travel in a camper, similar to the campaign bus he used in 1968.

It will be equipped so he will be in constant touch with all departments of state government. And it will serve as a traveling office so he can work on government business during the trip.

"I intend to take this campaign to the people in every section of Illinois," Ogilvie said. "I am going to set the record straight in person-to-person talks."

"I'm tired of the distortion and the demagoguery which has been directed at this Republican administration," the governor said. "I will document them in every campaign appearance."

"I predict that on Nov. 7, the voters will respond with a Republican vote from the top to the bottom of the ticket."

The governor left for the GOP national convention in Miami Beach on Saturday. The statewide campaign tour will start Aug. 28 with a breakfast meeting at Metropolis. It will conclude at Chicago on Sept. 13 when

Ogilvie will address a dinner meeting at the Conrad Hilton Hotel.

In the following weeks, the governor will criss-cross the state, continuing the person-to-person approach.

Mrs. Agnes Thebeau, 58, Dies at Home Here

Mrs. Agnes Marie Thebeau, 58, of 18 Hanson Drive, was pronounced dead at her home Thursday at 2:10 p.m. by Edward Werner, deputy coroner.

Born in Polaski County, Mo., she had lived here almost all of her life.

Her husband, the late John F. Thebeau, preceded her in death in August 1954.

She is survived by one daughter, Mrs. Bennett Boyd of Granite City; four sons, Robert, Phillip, and Michael Thebeau, all of Granite City, and Dale Lindsey of Melville, Mo., one brother, Rodney Eads of Granite City, and 17 grandchildren.

Funeral arrangements are listed in today's obituary column.

BURGLAR INBIBES

A burglar who broke into Vic's Tavern, W. 20th Street and Illinois Avenue, managed to drink four beers in a back room, supplying himself with two bar stools, before leaving with loot. Items missing included \$10.84 in change from the cash register, gum, a box of peanuts, a box of hot dog sausage and other items.

STOLEN CAR RECOVERED

The auto of Robert Anna of Belleville was stolen from the 2000 block of Beckwith Avenue in Madison Thursday and was found by police a short time later in the alley behind 1648 Fifth Street in Madison with its motor running and the lights turned on.

HEAR CLEARLY AGAIN WITH NOTHING IN EITHER EAR

It is now possible for thousands of people to enjoy hearing again with nothing in either ear! NO tubes, NO wires, nothing in either ear. For thousands this new aid may prove to be the best possible way to hear next to nature's own ears. Instead of forcing amplified sound through the impaired outer or middle ear the aid utilizing bone conduction delivers sound directly to the earring center "THE INNER EAR." So you hear clearly again with nothing in either ear.

THE SCHERMER BULLETIN

WHAT'S SCHERMER BROS. DOING IN MEN'S PANTS? If you were in our store last week you probably asked yourself this question. BUT, if you happened to see what was going on, you probably bought some pants yourself. You know, anytime we can save you a buck, we're going to do it. Last week Lee made an outstanding buy.

We have men's worsted and single knit pants, sizes 28 to 42 at \$4.95; 3 pair for \$13.00. Our customers last week told us that this was just half the price they are charging in so called "discount stores." We also have a fine selection of jeans for men and boys (and girls) in solid colors and stripes. These sell for \$3.49; 3 pair only \$10.00. All the pants are assorted famous brands that you will recognize when you see them.

In addition we have an display a large selection of wide, up to the minute styled belts in various colors that are selling for \$2.98. (Values up to \$6.00.) Also a fine selection of men's ties \$6.00 values; at Schermer's only 98c. We think we have enough of these items for a two week sale; shop early and get the best selection.

Another big sale coming up this week, the sale "paper" will be delivered to your door on Tuesday and Wednesday and the sale starts Thursday. Watch for it and read it carefully. Another big chance to save money.

Our Shiner friend in the back room of the Press Record did it again. When we opened up after the fire he made a mistake and "let" our dad to read "Sirian Stacks 39c. lb." Last Thursday he must have been thinking about the Oriental Band appearing tomorrow night at the Band Colony Fair in Greenville, so he put in "Carve, 10c per dozen." Nice going Joe. Keep it up and you are really going to get it. Kidding aside, Joe Wallace is one of our favorite people and Captain of the Drums in the Almond Oriental Band.

Speaking of Shiner, does anyone know what happened to the Shiner Club FISH FRYERS?? We think we learned that a boy scout troop in July that held a fish fry on the Bellemeur parking lot. If anyone knows who is storing these fryers for us, please contact Avery at 452-7194.

New Recreation Degree Offered at SIUE

A new bachelor of science
degree in recreation will be of-
fered at Southern Illinois Uni-
versity at Edwardsville if ap-
proved by the Illinois Board of
Higher Education. The proposed
degree was authorized Friday
by the SIU Board of Trustees.

The degree would be offered
by the Education Division
through the department of
health, recreation and physical
education. It is designed to
prepare individuals for work in
a variety of public and quasi-
public agencies and will help
meet a growing need for
trained recreational personnel
in the Metro-East area, trust-
ees were advised.

One new sequence of recre-
ational courses would be re-
quired, but minimal financial
resources would be needed to
implement the program since a
number of existing courses will
be incorporated in the degree.

New Hope Stars Chapter Meets

The first stated meeting following a period of vacation of New Hope Chapter 432 Order of Eastern Star of Illinois, was held Friday evening at the Masonic Temple.

In absence of Mrs. Marilyn and Loyd Whitworth, worthy matron and worthy patron, Mrs. Sandy and John Simpson, associate matron and associate patron, served as presiding officers.

Mrs. Dorothy Edwards, grand representative of Arizona, in Illinois, Mrs. Carol Ridebrand, grand lecturer, eight grand chapter committee members and a past matron, all of New Hope, and Mrs. Margaret Bauer of Edwardsville chapter, grand lecturer, were escorted and introduced.

Initiatory work was presented, and Miss Bonnie Joyce Burns received the degrees of the order.

Sept. 1 will be the next stated meeting of the chapter and past officers will fill the stations.

RETIREE MEMBERS HONORED at a dinner meeting of the Granite City Business and Professional Women's Club at Charlie's Restaurant. Left to right, Miss Mary Frances Lynch and Mrs. Ruth Canner, not present for the picture was Mrs. Paul Smith, Mrs. Marie Hoekstra and Mrs. Winifred Costello.

Kathy Kula Guest At Bridal Shower

Miss Kathy Kula was the guest of honor last week at a miscellaneous bridal shower at the American Legion Hall in Granite City.

The shower was hosted by the bridesmaids, Misses Debbie Winter, Janet Kline, Carol Kula and Barbara Kula, the latter two being sisters of the honoree. Miss Kula also was assisted by her other two sisters, Mary and Delores Kula.

The hall was decorated in apricot which is the theme color of the wedding. The main table was enhanced by a candle and ivory arrangement. Favors were presented to the guests who primarily were relatives and family friends of the betrothed couple. Various games were played and prizes awarded. An informal buffet luncheon was served.

The bride is a daughter of Mr. and Mrs. Tom Kula, 2443 Delmar Ave. Miss Kula and Gerald Dorch will be married on Sept. 9 in an afternoon ceremony at Sacred Heart Church. Mr. Dorch is a son of Mr. and Mrs. Orman Dorch, 2008 Warren Ave. Both young people are 1970 graduates of Granite City High School and presently are enrolled at SIUE. After their marriage the couple will reside in Granite City.

BRIDAL SHOWER FOR TRICIA KINWORTHY

Miss Tricia Lynn Kinworthy was guest of honor at a bridal shower at Emmanuel Baptist Church. Hostesses were Mesdames Lila Scott, Glennis Hysore, Betty McCaslin, Doris Fox and Naomi Cannon.

The guest tables were decorated with bridal figures and floral baskets of pink, lilac and blue, the wedding colors. Streamers and wedding bells were suspended overhead.

A sheet cake was inscribed with the bride couple's names and trimmed in flowers in the wedding color scheme. Favors were mint cups.

The gift table held a "shower" umbrella. Assisting Miss Kinworthy in opening her gifts were her sister, Mrs. Brenda Monse, who will be matron of honor, and Miss Marilyn Stagner, who will be a bridesmaid and who is a future sister-in-law of the bride.

Games were played and prizes were awarded to Miss Marilyn Stagner, Miss Judy Seibert and Mrs. Nancy Myers.

Miss Kinworthy, daughter of Mr. and Mrs. Don Kinworthy, will become the bride of Roger Lynn Stagner, son of Mr. and Mrs. Roger C. Stagner, 4821 Warnock Ave., Aug. 26 at Emmanuel Baptist Church. The future groom is employed at the General Electric Co. in St. Louis.

Mandamus Suit Filed In Behalf of Mank

A mandamus suit was filed Thursday in behalf of Louis Mank, former Granite City policeman, against the Board of Trustees of the Police Pension Fund asking the court to order payment of a disability pension and back pay.

Previous court rulings have favored Mank's contentions on back pay, which now would amount to nearly \$25,000. Mank recently was placed on disability retirement as the result of on-duty injuries.

Trustees named as defendants were Joe Nemeth, John Ryckman, Sam Adviesian, Henry Lueders and Alan Walker.

BUS, AUTO COLLIDE

The Black Knights Drum and Bugle Corps bus driven by Thomas Chobolowski, Chicago, and an auto driven by Kathleen A. Welch, 2113 Hamilton Drive, collided last week at Nameoki and Fehling roads.

Optimists Attend Annual Barbecue

Thirty seven members of the Optimist Club and a guest, Robert Hillard, attended the club's annual barbecue at the home of Don Farrington, Dunlap Lake, Edwardsville, Thursday evening.

Attendance prizes were awarded and contests were won by Don Farrington for the closest hole in one of the golf contest; Tom Jones in the fishing contest; Art Roseman for horseshoe pitching; and Kent Dunn for the washer ring toss.

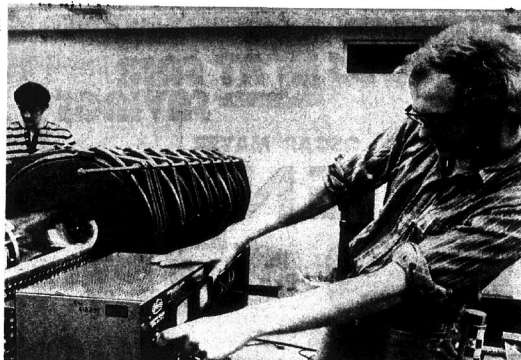

The regular meeting will be held Thursday evening with Ted Ellerman, president, presiding.

TOW TRUCK LOOTED

The tow truck of Sam Economy, 1306 Grand Ave., Madison, was looted in front of Economy's home, he reported at 1:15 p.m. Thursday. Taken were a portable lantern and a tachometer.

TELEVISION TAKEN

Maggie Latham, 85 Grenzer Homes, Madison, reported to Madison police at 5 p.m. Thursday the theft of a portable television.

600 MILLION DEGREES. In a physics laboratory at Southern Illinois University at Edwardsville Greg Smith (foreground), Cincinnati, Ohio, and Ron Pieper, Ferguson, Mo., are researching new ways of heating plasma as a first step in the development of nuclear fusion as a new source of fuel. Smith is measuring the vacuum in a plasma source. The temperature goal is 600 million degrees.

SIUE Physicist Seeks New Source of Energy

In a science laboratory at Southern Illinois University at Edwardsville a physics professor and two students are trying to find new ways of heating gaseous plasma to extremely high temperatures, a step toward nuclear fusion as another source of energy on earth.

By the year 2000 this country will have to depend on something beyond our present conventional fuels—gas, coal and oil—for energy, says physicist Steven Sanders, who is in charge of the research at SIUE.

"President Nixon made a commitment to nuclear energy as the fuel of the future," Sanders pointed out, "and \$30 million have been provided by the U. S. government for 1973 for development of a nuclear fusion reactor. There is so much to be done and there are so many problems to be solved about fusion research, our efforts had to begin 30 years in advance," the SIUE physicist said.

Working with Sanders under a National Science Foundation grant, students Greg Smith of Cincinnati and Ron Pieper, Ferguson, Mo., are researching with a plasma device built in the SIUE laboratory, a device which they hope can be used for at least six or seven million years.

600 Million Degrees

When heated to 600 million degrees, the plasma—a collection of positively and negatively charged particles—will fuse and release energy in a process similar to the generation of energy on the sun, Sanders explained. "We have reached about 90,000 degrees in our lab at SIUE. Although we know we will never reach the ultimate goal, we are trying to find new ways of heating plasma and measuring basic plasma properties."

At the end of a seven-foot magnet used in the laboratory is a microwave cavity comparable to the microwave oven used in modern kitchens. "Everything but the box is the same," Sanders said, "and you could even heat a sandwich in it. The magnetic field is about 6,000 times stronger than the earth's magnetic field."

Sanders says he got the research idea while he was at Argonne Laboratory for several months last year. "Argonne scientists are interested in producing plasma with microwaves," he said.

Scientists had been discouraged about the prospects of nuclear fusion, Sanders said. Since 1969, however, when Russia discovered the Tokamak—which produces 10 million-degree plasmas—physicists have renewed their interest and excitement about the possibilities it offers, Sanders said.

Sanders, who received his B. S. degree from Massachusetts Institute of Technology and his Ph. D. from the University of South Carolina, was a research associate from 1968 to 1961 at Princeton University, where his work was on controlled thermonuclear research at the plasma laboratory. He joined the SIUE physics department in 1965 and was its chairman for five years.

Arrest in St. Louis Follows Theft Here

Jerry Bradshaw, 19, who told police he has no permanent address, was arrested in St. Louis Thursday night and charged with theft over \$150. Police charged he stole \$325 from the cash register at Bob's Mobilgas, 1322 Fourth St., Madison, at 7:05 p.m. Thursday.

An attendant said a man entered the station and sat in the office about 15 or 20 minutes. When the attendant waited on a customer outside, the man allegedly took the cash and fled.

The thief allegedly asked a man near the station to give him a ride to the Travelodge Motel in Granite City and the man refused. Police checked at that motel and were told that a man had met a young woman there and they had left in a taxi cab.

Detectives contacted local cab companies and found that the pair had been taken to the Gateway Hotel in St. Louis. They drove to St. Louis and were met by St. Louis police at the hotel. When they entered Bradshaw's room, they said they found \$160 hidden in the room radiator.

Both Bradshaw and the woman were arrested but no charges were filed against the woman.

Bradshaw refused to be returned to Madison and was held at the Central Police Holdover in St. Louis pending extradition. A judge here set bond at \$10,000.

2 Indicted in Theft At JC Jewelry Store

The Madison County Grand Jury returned 14 indictments during a Thursday session at the Courthouse in Edwardsville.

Two defendants in one case involved an area crime. They are Robert Charles Singleton, 27, of University City, Mo., and Dwight Malone, 21, of St. Louis, charged with theft of two watches valued at \$445 from Hudson's Jewelry Store in Bellemeade Village on Aug. 12.

Their heads are bursting with questions.

The Columbia is bursting with answers.

Start their college education now with the encyclopedia created right on a college campus.

It's the most important gift you can give your children today. In this complicated, competitive world, education is the only sure road to success. Yet statistics show that only 7 of every 10 grade schoolers will finish high school. Only 2 finish college.

Will your child be one of those?

Yes, if you take positive steps. If you instill the right habits, provide the right tools. A first-rate encyclopedia right in the home is one of the best possible tools. And the Illustrated Columbia Encyclopedia in 22 volumes is a first-rate encyclopedia.

The text of the Columbia was created right on a college campus. It was compiled by over 200 experts and published by special

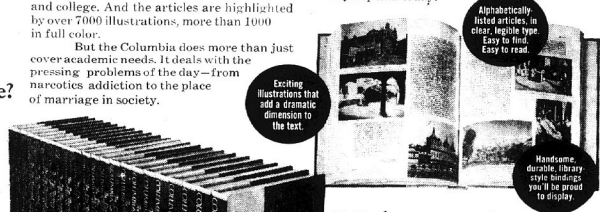

arrangements with the Columbia University Press. It has been acclaimed by educational leaders everywhere.

More than 75,000 accurate, lively articles cover everything your children will need to know for school assignments, from the elementary level right through high school and college. And the articles are highlighted by over 7000 illustrations, more than 1000 in full color.

But the Columbia does more than just cover academic needs. It deals with the pressing problems of the day—from narcotics addiction to the place of marriage in society.

It answers tough questions with real facts.

An informed child is more likely to ward off trouble than an uninformed child. An educated person is more likely to succeed. Give your children their chance at success. Start building your set of the Illustrated Columbia Encyclopedia today.

McKendree Offers 15 Night School Courses

McKendree College at Lebanon will offer 15 courses at night school during the fall term which begins Sept. 13, according to Mrs. JoAnn Montague, registrar.

Twelve will be on campus, two at Scott and one in an instructor's home. Five will be in art.

The military scholarship program may be used by military personnel, which greatly reduces the cost to the student. Mrs. Montague said. Details are available from Mrs. Montague or the Admissions Office at the college.

The arts courses are Beginning Figure, Seminar in Crafts, Beginning Painting, Advanced Drawing and Advanced Painting. All can be taken as a unit or a half-unit, with a unit equivalent to four semester hours. Three one-unit courses will be offered in business and economics: Principles of Economics, Money and Banking, and Introduction to Business Data Processing.

Other courses offered on campus are Teaching Mathematics (elementary), 1/2 unit; U. S. History 1787-Present, 1 unit; Basic Modern Math, 1 unit; Music History, 1/2 unit; Political Theory, Ancient and Modern, 1 unit; Seminar Laboratory in Interpersonal Communication, 1 unit.

Philip Kennedy will offer a seminar, Introduction to Philosophy Through Plato, 1 unit, in Kennedy's home in Lebanon. Government and Political History of the Far East: China, 1 unit, and a sociology course, The Community, 1 unit, will be taught at Scott Air Force Base.

Night school students must meet regular admission requirements. Since this involves transcripts and college testing scores, application should be made now, Mrs. Montague said.

Air Force Recruiter Rotary Club Speaker

The "New Air Force" was the topic of Sgt. Ivy L. Armstrong, Air Force recruiter, who spoke at last week's meeting of the Madison Rotary Club in the Madison Recreation Center.

The Madison Rotarians are organizing a bowling party at Tri-Mor Bowl for their families and friends on Sept. 10, beginning at 3 p.m. Richard Sues is the general chairman.

The Rotarians plan to bowl from 3 p.m. to 6 p.m. and then have dinner together. According to Sues, any Rotarians and their friends are welcome to attend. Tickets at \$3 each may be obtained from any member of the Madison Club.

Corbin Ends 8-Race Winning Streak of Spading at Track

C. C. Corbin of East Alton took the side on the winning streak of W. Spading of Ponton Beach as Corbin won a wheel-to-wheel battle in the late model stock car feature race Friday night at the Tri-City Speedway, Spading won the sprint car feature.

Corbin depended on driving skill to move into an early lead in the late model event to stay in front of the more powerful car of Spading.

Corbin was driving the No. 27 Chevelle with a 283-cubic-inch engine while Spading kept the pressure on with the No. 44 Camaro and its 327-cubic-inch engine with an aluminum head.

Spading challenged on every lap, making attempts to pass Corbin on the inside on the first and third turns and in the back stretch each time. Corbin depended on better traction high in the turns to keep his lead.

Fans on Their Feet

The fans were on their feet throughout as Spading continued the pressure and Corbin kept him at bay.

On the 16th of the 20 laps, the Camaro of Pat King of St. Louis went out of control in the third turn and struck and went over the outside retaining fence.

The race was halted while ambulances, fire equipment and wreckers sped to the scene. King was not injured but his car was extensively damaged.

When the green flag again fell, Spading made his strongest attempt for the lead and was half a car length ahead when Corbin powered through the first turn high and in the loose dirt to regain the lead. At the checked flag, Spading, was even with Corbin's left door.

Bob Buchanan of East Alton was third and Louise Janssen of Bethalto claimed fourth.

Corbin's win, his second this season, ended a streak of eight consecutive victories in the late model class. Spading also has won 11 of 15 features this season.

The Ponton Beach driver was successful in the super-sprint class for the third consecutive time, his seventh victory in the last eight feature events.

At the start of the feature, the pole sitter David Camfield of Argentina, jumped into the lead but the race was halted as the sprinter of Larry Dieterman of Edwardsville spun in the first turn.

The restart pitted Camfield on the pole with Spading on the outside of the front row and this time it was Spading who leaped into the lead as the green flag fell.

Spading led all the way, with Camfield making few serious challenges for the lead. Ron Melton of Jacksonville stayed close behind but was unable to advance beyond third place. The front stretch held their positions to the checked flag.

With Larry Kirkpatrick of Wood River finishing fourth and Dennis Spencer of Alton fifth.

Kirkpatrick was making his first appearance here since being seriously injured in a race last year. He drove the No. 73 sprinter, hand-built by Lyle Harzard of Mitchell.

Camfield's Fastest

Camfield was the fastest qualifier of the evening in the sprinters, covering the half-mile in 24.65 seconds. Spading was second fastest, with Melton and Spencer trailing.

Melton won the trophy dash for the fastest qualifiers with Camfield, Spencer and Spading finishing second, third and fourth.

Kirkpatrick fended off close competition to win the sprint heat race with Camfield and Spading close behind at the checked flag.

Corbin Earns Fast Time

Corbin was the fastest late model qualifier with King second, Joe Northrup of Jacksonville third and Buchanan fourth.

Spading dominated the first heat with Buchanan, Corbin and Glen Spaulding of Granite City trailing.

Janssen crossed the finish line first in the second heat with Bobby Stanton of Alton, Gene Hamer of Fosterburg and Ken Lowe of Florissant, Mo., second, third and fourth.

King won the third heat with Don Carter of Hillsboro second, Joe Northrup third and Northrup fourth.

Post of Athletic Director Dropped At Madison High

In a move to reduce expenses due to financial problems, the Madison Board of Education Thursday night voted to eliminate the post of athletic director at Madison High School.

The post has been held by Al Vanderhaar who also is head football coach at the school. He will retain his coaching position.

The move to abolish the \$1,500 per year position was made by Chester McManaway, board member, who said the coaches in each sport would be able to make their own season schedules and to take care of the details connected with operating their own sport.

Building, Zoning Fee Hikes Proposed by County Board

Increased building and zoning permit fees for unincorporated areas of Madison County were placed on first reading by the Madison County Board last week.

The board's land use committee headed by Alton May of Alton reported that increased activity in construction and land use in the county has doubled the cost of inspections and hearings at the expense of the taxpayers.

The committee also said that state constitutional changes in regard to fees produced by county offices have produced a "great deficit" in county income.

The new schedule of fees was distributed to board members after the meeting, and a comparison with current fees is to be provided soon, May informed the board.

If adopted next month, the new fees will take effect on Oct. 1. Final adoption is planned for the Sept. 12 board meeting.

The permit fee schedule for residential use includes:

Single Family Homes

Single family (one story), frame or aluminum siding, four cents per square foot; combination brick or stone and frame, five cents per square foot; brick or stone; six cents per square foot; second floor elevation including split foyers and attached garages, another half of the listed categories will be considered at the rate per acre plus the minimum fee per acre plus the minimum fee per acre plus the minimum fee per acre.

Plumbing inspection fee — Plumbing under basement floor or crawl space, \$5; kitchen, \$3; bathroom, \$3 per bath and \$1.50 per one-half bath; utility room or basement, \$3; minimum fee, \$5.

Electrical inspection fee — Change of service, \$5; number of rooms, \$1 each; minimum fee, \$5.

Septic inspection fee (including disposal fee), \$5; zoning use permit, \$5; additions fee, three cents per square foot; outbuilding or accessory buildings, two cents per square foot; radio towers, bleachers and others where measurement is not practical, \$30; and over \$10,000 of the estimated cost, \$2 for each additional \$1,000 of cost.

Advertising signs—Up to 25 square feet, \$10; more than 25 square feet, 10 cents per additional square foot; additional charge (zoning use), \$5.

Commercial Structures

Buildings and structures other than single family residential: Commercial or industrial buildings—up to 3,000 square feet, including all floors below grade, \$100; more than 3,000 square feet, \$100 plus 10 cents per square foot additional for all floor areas contained within

Insurance Data Link Installation Finished

Installation of another phase of Metropolitan Life Insurance Company's sophisticated electronic data processing communications system has been completed at the company's district sales office at 3703 Nameoki Road, Granite City.

This phase automates the processing of premium notices and, by providing direct overnight access to policy records, speeds up the handling of requests for service.

The system links by telephone lines a modest computer console in each of Metropolitan's sales offices across the country with the huge Honeywell computer complex at the company's home office in New York City.

Fully operational, the system now transmits and receives data on premium payments and loan repayments, inquiries, claims and other life and health insurance matters.

E. Ray Grisham, district sales manager, in charge of Metropolitan Life sales and service in this area, explained that "with this system now installed in our office, we will be able to handle the vast majority of customer service requests much more efficiently and rapidly than ever before."

The communications system was first introduced in Metro-

politan district sales offices in the United States in 1967. At that time, the computer was limited to processing such data as changes of address and policy transfers.

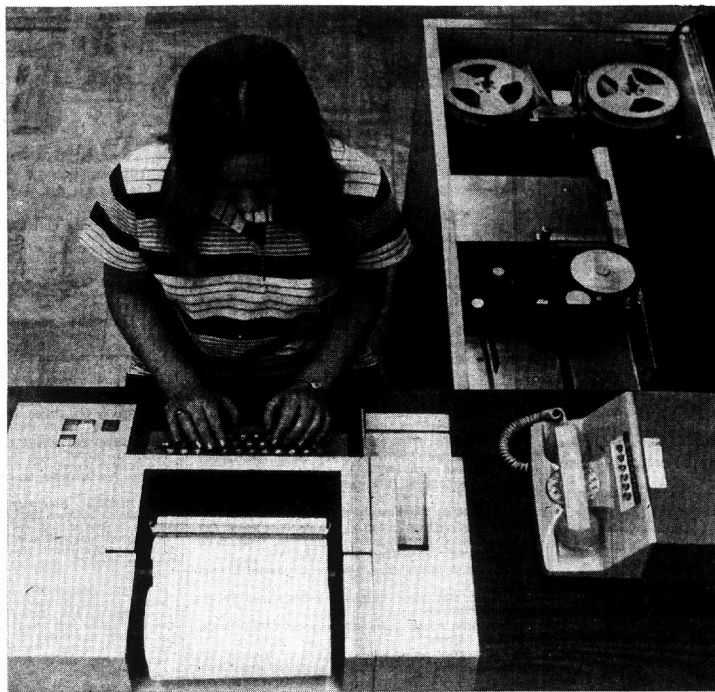

The next development saw the company's sales force benefit through elimination of the traditional bulky account book, with its inherent tedious record-keeping, in favor of a set of compact family record cards.

"From our standpoint, the big advantage of this system is that our sales people will now have more valuable time to devote to individual customer requirements," Grisham said. "At the same time," he added, "it provides the home office with current, accurate records, accessible on an overnight basis."

By the end of 1972, over 800 district sales offices in the U. S. will be fully operational under the new program. By then, Metropolitan estimates, the system will be handling about 500,000 separate transactions each day.

THEFT FROM AUTO

Robert Deckard, 1206 Granite Ave., reported at 4:30 p.m. Thursday that a camera and an eight-track stereo tape were stolen from his 1964 auto parked in his driveway during the night. Also missing was a broken watch.

DISTRICT SALES OFFICE CONSOLE used by the Metropolitan Life Insurance Co. to automate the processing of premium notice payments, family record cards and various policyholder service requests.

Each day, a Honeywell 1800 computer in New York queries the console for current reports and requests and sends updated information automatically.

HIT-AND-RUN ACCIDENT

An auto driven by Debbie Conway, 2520 Edison Ave., was involved in a three-car accident involving one owned by Joseph L. Little, 2417a Delmar Ave., and an unidentified late model auto at 2:30 p.m. Thursday at 15th and State streets.

He's found a way to cook chicken with an extra crispy crust outside—and still keep it tender and juicy inside. And, he'd be mighty pleased if you'd try some. Of course, if you'd prefer his original recipe, he's happy too. The beauty of it all is that now you can get both kinds at Kentucky Fried Chicken: this town's finest crispy chicken, plus the Colonel's famous original recipe. And, they're both finger lickin' good!

Homemaking Workshop Set in County

A consumer and homemaking education workshop will be held at New Collinsville High School from 4 to 8 p.m. Aug. 23 and 24.

It is one of a series sponsored by Western Illinois University and the Board of Vocational Education and Rehabilitation throughout the state during the months of August and September.

Mrs. Betty Swanson, director of the workshops, is an instructor of consumer economics in the Home Economics Department of Western Illinois University.

During the last three years, she has conducted graduate and undergraduate consumer education workshops: co-authored "Suggested Learnings: Consumer and Homemaking Education," and served as a member of the Curriculum Revision Committee which recently revised "Guidelines for Consumer Education" published by the Office of the Superintendent of Public Instruction.

The workshops are designed

Fine Arts Concert Set

The Little Cossacks Dance Group and the Balala Orchestra from the Nativity of the Virgin Mary Eastern Orthodox Church will perform at 7:30 p.m. Thursday at the Venice Recreation Center in the second of the Venice-Madison Fine Arts Committee programs. The Madison-Venice Community Choir also will present a selection of musical numbers during the program.

to acquaint the classroom teacher with the recently developed and revised consumer education curriculum materials, discuss new teaching ideas for the consumer education course and provide in-service training in classroom use of "Suggested Learnings: Consumer and Homemaking Education." The workshops are open to any consumer education teacher at no cost. Additional information can be obtained by contacting Wilbur Trimpe, superintendent, Educational Service Region, Edwardsville.

OVER 2,000 SPECTATORS enjoyed the Tri-City Shrine Club's benefit drum and bugle corps show presented last week at Granite City High School.

It was a warm night, and the lower left a Boy Scout is shown selling a welcomed soft drink.

Effort to Aid Vietnam Veterans Underway at SIUE

In an attempt to inform the about 2,000 Vietnam-era veterans at Southern Illinois University at Edwardsville about educational and financial benefits, a veterans group has established a campus newsletter.

The first issue is being distributed this week by the Association of Collegiate Veterans. The newsletter is published by the group's communications committee, headed by Gary Puckett of O'Fallon.

Topics in the first issue of the newsletter, to be published twice quarterly, include a tutoring program for SIUE veterans, how to obtain food stamps and the possibility of increased federal aid.

The Association of Collegiate Veterans wants to act as a clearing house for information on state and federal benefits.

"There are so many unpublished programs available that no one person can possibly learn of them all," says an editorial in the newsletter. The group is planning to open a center staffed by volunteers to answer questions of any veteran who walks in.

In addition to the communications committee, the group has formed four others:

The curriculum development committee, to push for more college credit for military experience and to develop special courses for veterans at SIUE. The tutorial committee, to coordinate tutoring for veterans having difficulties in particular courses at SIUE.

The financial committee, to build up a loan fund for veterans at SIUE needing emergency assistance to continue their education.

The membership activities committee, to arrange facilities for group activities and notify members of the activities.

The group does not have its own office yet, but is working with Vietnam-era veterans Terry Campbell and Russ Heubeger, veterans' counselors in the office of Ramon Williamson, SIUE vice-president for student affairs. The group also has a desk in the University Center office of the Community Involvement Program.

GC Man Member of St. Louis Dance Team

John Bonvicino of Granite City and his professional dancing partner, Mae Herson of St. Louis, presently are making appearances at St. Louis restaurants and nightclubs.

The dance team, billed as the Maebon Dancers, has appeared on St. Louis television several times and has given exhibitions throughout the country. They also have entertained the Rotary Club of Granite City.

Bonvicino was born in New York City and attended McKee Vocational School for a special education in dress designing and tailoring. While in school, he took dancing lessons from private tutors. He then attended the New York Institute of Arts and Technology for two years of dance and music training. He also served in the U. S. Army in World War II.

He moved to Granite City in 1948 and went to work for Granite City Steel Co. until 1962 when he returned to dancing.

In 1956 he met his present dance partner who at that time was doing solo ballroom dancing exhibitions. She also taught for several years in several Midwestern dancing schools. The dance team has been most recently appearing at the Two Seventy Garden Restaurant in Hazelwood, Mo.

William "Mike" Ebersold of Venice, president of the levee district board of trustees, said the state has set a deadline of Dec. 31, 1973, for completion of secondary treatment facilities, but at the same time has suggested the district include facilities for areas not included in the original planning.

As a result, he said, the district could not possibly do the additional engineering and planning required, and build the secondary treatment facilities before the present deadline.

The hearing will be held in the Civil Defense building, 1411 Nineteenth St., beginning at 10 a.m.

FIRE DAMAGES HOME

Fire caused an estimated \$300 damage to the home of Modest Clark, 2826 W. 20th St., last week. A short circuit in the household wiring was the cause. Granite City firemen were on the scene 40 minutes.

JOHNSON ROAD MISHAP

Johnson-Nameoki roads was the scene of an accident of autos driven by John Popichak, 2241 Orville Ave., and Merlin S. Jenkins, St. Louis, last week.

AWINGS—G. C. GLASS CO.
18th & Edison, 877-5400

DANCE TEAM MEMBER currently appearing in St. Louis night clubs and restaurants is John Bonvicino of Granite City, former employee of Granite City Steel Co. who decided to turn to ballroom dancing as a profession. His partner is Mae Herson of St. Louis. They are billed as the Maebon Dancers.

Red Cross Here Offers Training In First Aid

Persons interested in taking a standard first aid course taught by the regular method or a standard course taught by the multi-media method are being asked to contact the local Red Cross offices, 1411 21st St., phone 542-7184.

The courses will start in early September. Exact time and dates will depend upon the wishes of the persons taking the training.

Registration are being accepted now at the local Red Cross office. Both courses are open to persons 14 or older. Boy Scouts and Girl Scouts are welcome to take the course for merit badge requirements, according to Mrs. Maxine Duniphan, first aid chairman for the local Red Cross.

The standard multi-media course is designed primarily for plant employees and will be taught by Clifford Duniphan in two four-hour sessions.

The course taught by the regular method is designed for two-hour meetings one day a week, for five weeks, and will be taught by Mrs. Opal Davis.

Steel Shipments Near Year's High in June

Domestic steel shipments held close to their 1972 monthly high in June, despite a slight drop from the previous month, the American Iron and Steel Institute reports.

AIISI said steelmakers in the U. S. shipped 7,977,000 tons of mill products to their customers during the month. Although this was a dip of 30,000 tons from May's 8,121,000-ton figure, it was still the second highest monthly shipment total thus far this year.

Steel service centers, the construction industry and container makers all increased their receipts from the mills during June. However, these gains were offset by a decline in shipments to automakers.

Although shipments to service centers topped the total to the auto industry for the second month in a row, the nation's carmakers and their suppliers continued to be the steel industry's largest single market through the first half of the year.

During the first six months of 1972, domestic mills had shipped 44,765,000 tons of mill products.

Broader coverage when you need it... and lower cost when you've earned it.

Aetna's All-Driver Plan.

It's the most popular auto insurance we've ever handled—because it has something to offer just about every driver.

For example, even if your present insurance company is already giving you a lower rate for your safe driving record, the Aetna All-Driver Plan should be able to beat it.

And if you've really had bad luck—maybe find it hard to get any insurance at all, you should still qualify for All-Driver. Get the broad coverage you need. Plus the best available guarantee on renewal.

Call us, or come in. You'll discover you are one of the drivers that will do better with All-Driver.
